We are now on Facebook, search **Lezant Parish Magazine**

Things are changing as we emerge from lockdown 3 and life opens up again. This month we also have a new Priest being licensed for the Parish of Lezant and the Three Rivers Benefice and the recent election sees us with a new County Councillor in Adrian Parsons. Also, several new families who have moved to the Parish in the last few months and we offer them a warm welcome and hope they will be very happy living here.

A Parish Picnic is being organised for early July—a chance for us all to catch up in person and a chance for our new residents to put faces to names. We are looking for entertainment during the afternoon—any ideas gratefully received. Please see page 3 for more details.

I very much hope that now we are returning to normal the magazine will have a future in distributing news and information to the Parish. I am planning a July issue but August and September will be combined as is our tradition.

When I volunteered to be deputy editor it was very much on an as need basis but then of course the pandemic hit and times have been very different. As we emerge out the other side and look to go back to monthly publication we are once again on the hunt for a regular editor to continue the monthly production —**could it be you?** The only requirement is that you have access to Microsoft Publisher. If you would like more information about this please contact Jill Price (contact details on the front cover).

Finally, I would like to pay tribute to our outgoing County Councillor, Neil Burden. Neil has been our representative at County Hall for over 40 years. Many in the Parish have benefitted from Neil's experience, generosity and wisdom over the course of the last five decades; his ability to navigate complex County Council matters has also been appreciated by many. So, on behalf of the Parish, I would like to thank Neil for his hard work and wish him well for the future.

Jo Burt

## **MORE THAN GOLD** by Ruth Burden

My jewellery box has such stories to tell  
Of Christmases, birthdays – a brooch of farewell  
It's a box full of love that I couldn't replace  
There's a safety pin wrapped in a hankie of lace  
What on earth is a pin doing in there!  
Wrapped up and kept with such loving care.  
It's the one that my daughter wore on the day  
When she was christened – and had the last say  
Ask any Mum who has held a small hand  
She'll smile and say "I understand"

## Archaeological Finds around the Parish

Lesley Buscombe often shares her finds on the Parish Facebook page but I wanted to give everyone the chance for this insight into our local history. These finds are from the fields around Trebulet where Lesley has permission to use her metal detector.

The Bronze pot leg and Clacker will be logged and dated hopefully by the Finds Liaison Officer now based at Helston. Who had a

dog called Charlie, not that long ago? Who was playing the harmonica as they went about their work? Who were the children playing with their lead toy guns—did they hunt around for it when they knew it was lost, was it a precious birthday present? We'll never know the really story behind most of these items

or whose hand touched them but it makes me think—what will the detectorists be finding of ours in 100 years time?!

### Friends of Trekenner School

Thank you to everyone who donated to the recent Bags 2 School collection - we raised £162 for school funds. The money we are raising at the moment is going towards the refurbishment of our Year 5 and 6 classroom - we are pleased that this will begin in July.

### PARISH TAXI SCHEME

#### FOR RESIDENTS OF LEZANT PARISH ONLY

The parish council subsidy for the taxi scheme is now £4 per trip, **return £4 each way**. The fares charged by Launceston Taxis are as below. **As a resident of Lezant Parish**, you are entitled to a subsidy of **£4.00** for any taxi journey at any time, so long as a taxi is available. To take advantage of the scheme the taxi must be pre-booked through Launceston Taxis on 07340 813434. The taxi driver will have a form that he will complete. You sign the form and pay the reduced rate to the driver. Please note that the single fares quoted below are for guidance only, if you live outside one of the villages the fare may differ slightly:

Prices effective from 1<sup>st</sup> April 2021

Lezant £9.00	Subsidy £4.00	You pay £5.00
Tregada £9.00		You pay £5.00
Trekenner £10.00		You pay £6.00
Trekelland £9.00		You pay £5.00
Trebullett £10.00		You pay £6.00
Treburley £10.00		You pay £6.00
Rezare £10.50		You pay £6.50

For example, a return journey from Treburley to Launceston will cost £12 in total. The Parish Council would encourage all residents to use the taxi whenever possible although it is appreciated that a taxi is not always available. Pre-booking the day before can sometimes help. **Remember, the taxi cannot be used on a regular basis for commuting between home and work, nor as a school-run vehicle.**

'Pearl' by Linda Garland

Pearl is a zodiac stone for Gemini (21st May - 20th June).

Pearl is associated with the planet Mercury.

Pearl is organically formed, its beauty and lustre make it as desirable as any gem. In antiquity pearls were a symbol of chastity.

Pearl has a soothing and stabilizing effect on the wearer.

Reg No. 577203

TESCO stores in the SW including Launceston have added an extra in store collection alongside their carrier bags recycling cage. The additional cage is for "soft" plastics, ie not hard/rigid plastic, so this includes crinkly plastic from:

- some fruits n veg, salad items, peppers, tomatoes, celery, spinach, apples
- film off punnets of fruit and trays of veg & meat, the tray can go in your kerbside recycling
- sleeves and film lids off yoghurt pots, the pots can go in your kerbside recycling
- packets from sauces, coffee, tea, noodles, rice & pasta
- cereals, muesli, granola & oats, dried fruit, sugar in plastic bags
- bread rolls, crumpets, thins & naan packaging
- pretty much all the food packaging that **RECYCLING FOR CHARITY** can not take...

The cages are located in the lobby just before the exit in the Launceston store

Stretchy plastic can be recycled with carrier bags and include

- shrink wrap from cans
- bubblewrap,
- postal bags
- frozen chips and peas packets
- spuds and apple bags
- nets from fruit and garlic
- carrier bags.

Tesco's director of quality, said: "Reducing and recycling plastics is such an important issue for us, for customers and for the future of our planet. That's why we are working hard to reduce the amount of packaging in our stores and have committed that all remaining packaging will be recyclable by 2025."

### News from Trebulet Method Church

I write to you the day before we, in the church, celebrate the Ascension of Christ. This is the time when Jesus left this world, after he had risen from the dead, and went to be with our Father in heaven. Jesus had spent forty extraordinary days with his disciples, teaching and preparing them for the time when he would leave them. On that day, they all gathered on the Mount of Olives overlooking Jerusalem. Jesus blessed them and as he spoke the presence of God surrounded him, and he disappeared from their sight. As the disciples looked intently up into the sky, two men asked "Why do you stand here looking into the sky?"

In some ways we all do that don't we? An unexpected experience, a change of events, a death, even a pandemic may stop us in our tracks and we are left stunned and confused by what we should do now. I pray, in whatever experiences you have had whilst we have been in this pandemic, that you have had someone come alongside you and gently encourage you to go forward. We may not feel like it. We may find it hard, but with the support and help of others, we will be able to forge a way through and shape our lives to create a new normal. The disciples went forward and ten days later, at Pentecost, they received the Holy Spirit. They emerged from the place where they were huddled together, strengthened and renewed, so they could spread the gospel to the ends of the earth. From just 12 disciples, the movement of Christianity spread like wildfire throughout the world and continues to this day. The Church may appear to be stopped in its tracks at the moment, like we have seen with most things through this pandemic, but it refuses to sit still. Instead, it forges a way forward and, through the guidance of God's Spirit, begins to shape a new normal.

Trebulet Method Chapel has reopened for worship—services are at 11am on Sunday. All current guidelines will be observed. If you are interested in attending then please contact our steward Tabitha Stafford on 01208 871366. We very much look forward to meeting you.

May God bless you and keep you, may he make his face to shine upon you and give you peace. Amen.

**LEZANT FLOWER AND GARDEN GROUP**

We resumed our activities with a visit on 19th May to Lewtrenchard Manor Hotel Gardens. It's good to be getting back to normal again and a sunny day for the outing was the icing on the cake. Seventeen members and friends who enjoyed a guided tour of the gardens, admiring the Bluebell Wood and the magnificent trees as well as the remains of the ancient pineapple pits. It was an enjoyable afternoon and the first of many more.

We look forward to our next outing which is to Anvil Cottage and Windmills at South Hill on 21st July. We will also be holding our postponed AGM as soon as possible. Full details will be in the next issue.

## COOKBOOK

*in aid of St Briochus Church, Lezant*

We would be grateful for your support. Due to Covid, normal fundraising activities such as the cake stall and suppers have not been able to take place. Running costs and repairs have continued and improvements have had to be put on hold.

A cookbook is at the printers as I write. I thank so many of you who have contributed already by sending me recipes. There are 4 sections with over 80 interesting but simple recipes:

Starters, Soups and Salads,

Main Courses,

Puddings,

Baking and Biscuits

**At £5 the Cookbook is good value, would make an excellent gift and buying one would support *your* church.**

## Happy 90th Birthday!

Wishing Janet Harris of Coppers, Trekenner

a very happy 90th Birthday on the 16th June.

From Jo, Chris, Dan and Emma and all of her friends  
in the Parish.

### News from St Briochus, Lezant

St Briochus is eagerly awaiting the arrival, in late June, of the Reverend Sean Clancy as the new Priest in Charge of the Parishes of Lezant, Lawhitton, Lewannick and North Hill, South Petherwin and Altarnun with Bolventor, also Team Vicar in Launceston with special responsibility for St Thomas. We look forward very much to welcoming Reverend Sean, his wife Marie and their two young children and we wish them very well as they settle in to their new life in Cornwall.

As we start to emerge from some of the restrictions of the Covid pandemic, hopefully we will soon be able to think ahead about resuming some of our social fund raising activities. We will keep you posted as soon as plans develop.

Meanwhile, the imminent arrival of the new St Briochus Cookbook is very exciting. Copies may be purchased for £5 (please see the advertisement on page 13) and all monies raised will go towards the upkeep of the Church.

## Word Wheel

The goal of a word wheel puzzle is to create as many words possible with the letters in the word wheel. You can only use each letter once and every word must have the letter in the centre of the wheel. There is one eight letter word for you to guess.

## A Message from Councillor Parsons

I would like to take this opportunity to thank the residents of Lezant for their kindness and support during the Cornwall Council elections. I believe using your vote is very important as this gives you a say on important issues which affect us all, from roads and recycling to education and climate change. It was particularly pleasing that within the newly formed Altarnun and Stoke Climsland Division we had a turnout of 49%, which in current times is very respectable for a local election. As for the result it was a very proud moment for me to be elected as the first Cornwall Councillor to represent what is now the largest Division by land in Cornwall, stretching from Bolventor to Kit Hill, across to South Petherwin and up to Bowithick.

I would also like to take this opportunity to thank Neil Burden who has served the Stoke Climsland ward so diligently for many years. His reputation goes before him and he should be commended for all he has done for the community. I am a firm believer in bringing decisions back to local areas, so I look forward to working with the parish council and local community groups and I will strive to represent us strongly at County Hall doing my best to ensure our rural areas receive their fair share of funding. I believe we must work together to build towards a fairer, greener and more sustainable future.

With councillor numbers reduced from 123 to 87 in the newly formed Cornwall Council and the Conservatives now having full control of the administration for the next four years, it's certainly going to be a time of change and an interesting period ahead.

## **A walk for the Alzheimer's Society**

In August Colin Hill is walking 26 miles across Dartmoor to raise money for the important work of the Alzheimer's Society. He is currently undertaking regular training for this event. Colin's father, Walter Hill lived in the parish of Lezant from 1939 to 1993, he died 28 years ago. He's in the middle of the middle row of this photo (directly behind the Lifton Argyle First Aid box). He was an 'old-fashioned centre-half' and noted for his hard-tackling and strength in the air. Sadly in his latter years he suffered from Alzheimer's Disease. Colin will walk the 26 miles in his father's memory and if you would like to support Colin and the work of the Alzheimer's Society you can donate at his JustGiving page. It is a long link but can also be found linked on the Parish Facebook page. Or you can contact Colin on 01566 772786.
