And before we know it Summer is upon us. If you are at home this summer there is plenty going on over the next few weeks so have a good look through the magazine—the diary page of pre-covid times is back. Saying that, I do recommend you look online or phone the organiser to check for changes before setting out. If you are going away, or just have time to sit in the garden and read over the summer don't forget the Trekenner library in the phone box. Mary keeps the books regularly rotated and updated so you've got an instant source of both fiction and non-fiction for those spare minutes.

The Community Picnic on the Jubilee Field in Trekenner is planned for September 5th—put the date on your calendar and come and catch up with friends. Coincidentally, this month Neil Burden has written the history of the field with its origins as a village cricket pitch before World War Two.

Cornwall is looking like it's going to be very busy this summer—which is brilliant for our hospitality industry which has struggled so much - I hope for us all it will be a time of family and friends and catching up on lost time. I'm leaving you with two verses from Charles Causley's poem *The Seasons in North Cornwall*

*Here lie I waiting for old summer,
A red face and straw-coloured hair has he:
I shall meet him on the road from Marazion
And the Mediterranean Sea.*

*September has flung a spray of rooks
On the sea-chart of the sky,
The tall shipmasts crack in the forest
And the banners of autumn fly.*

See you in October
Jo Burt

Jubilee Field almost 45 years young by Neil Burden

As we rapidly approach the celebrations of the Queens Platinum Jubilee, this article is a record of how we celebrated Queen Elizabeth II's Silver Jubilee in 1977 by purchasing the field to the east of Trekenner School. This field was formerly owned by the Raddall family of Fleardon and known as Lezant Cricket Field – when the parish had its own cricket team before the 2nd World War. We were approached by the new landowner, Mr Harold Goodman, around 1975 after the planners stated it was not suitable for housing development. This was when the 6 bungalows had been built adjoining in a small 3 cornered field. The total cost would be about £2K - this is when farmland was priced at £300 per acre and a new bungalow in the parish could be bought for £5K. Even so this was an opportunity not to be missed.

The Parish Council fortuitously were a step ahead to this offer when Cllr Enid Tregoning was Chairperson of the Parish Council (1971-1975). Local people knew there were some funds lying somewhere gathering dust in a deposit bank account called the Lezant Village Hall Fund, earning only little interest, with just one surviving trustee. Cllr Tregoning with the support of the then Parish Council and the additional help of Audrey Parsons, the Parish Clerk, were keen to get this money released. At that time I was Vice Chairman of the Parish Council and was detailed to see what could be done. So, I went and knocked on the door of the sole remaining trustee!!

In those post war years of the early 1950's, there had been much enthusiasm in raising money to build a Parish Hall which several other local parishes were also doing. Money raising events were held in the field at Homelands. I can just remember the coconut shy in the tin hay shed and a huge bonfire which my father oversaw. An elderly gentleman had the honour of lighting the bonfire, no doubt assisted by diesel or even petrol, as the flames flared up he fell forward and my father grabbed him as he was literally nearly roasted - what is called a close shave or singe!

With much enthusiasm the fund grew rapidly, some parishioners wanted to start building as soon as possible, however the Parish Hall Building Fund Committee were divided, so much so there was a standoff. In the end a compromise was reached that the funds be divided between those that wanted to do something immediately on a smaller scale to refresh/rebuild the Men's Institute at Treburley and the remaining half of about £1300 pounds to be held in a deposit bank account. This, as you can imagine, deflated the energy of further money raising events.

We also discovered on investigation no returns had been made for several years to the Charity Commission and there was just one surviving trustee, a local solicitor, Harry Godwin who lived at Homelands.

So with the support of the Charity Commission this was an open door. Mr Godwin was somewhat embarrassed and realised the illegality of no annual returns for several years and also the Charity commission said a single Trustee was illegal. Sadly there was no means to appoint new trustees so the money had to be released into the care of the Parish Council to be used for the benefit of the parish.

At that time interest rates were very high and the money was invested for some eighteen months, which helped increase the Fund and we were able to purchase the field at the asking price for the Parish with the shortfall made up from the Parish Council Account.

During that time I had become the Parish Council Chairman 1975-1979. Everything was in place to officially open the field in 1977 on the same day as the nation celebrated the Queen's Silver Jubilee. This was a very successful event when most of the parish took part with inter-village knock out competitions, Jubilee mugs for all the children, a free tea, a Church Service and the planting of the oak tree by the school children opposite the War Memorial at Landue. This was planted on the former A388 road. A digger operative dug down about 14 feet through the tarmac and stone base of the former road so the tree would survive, even though Mr Tregoning said single oak trees look like cabbages! Always bearing those comments in mind, we are hoping that, with some management, it will grow nice and tall.

A new trust was then appointed under the guidance of the Charity Commission. The Chair and Vice Chair of the Trust being in perpetuity the current Chair and Vice Chair of the Parish Council, plus three local worthies. The first were Mrs Mary Bennett, Denis Coumbe and Roy Rowe. Whenever there was a vacancy, the Trust appointed another trustee. The Trustees hold no funds and meet twice a year but still need to approve any changes to the Field. Whilst the day to day running of Jubilee Field has been delegated to the Parish Council, the School has sole use of it during school hours with the proviso that it keeps the area clean and tidy and the grass cut. The present Trustees are the Parish Chairman and Vice Chairman, Cllr Val Hill and Cllr Julie Denis, with Cindy Wills, Rosamund Thomas and Ian Nash. The field is central to the Parish and any organisation who would like to use this facility for a public event need to prebook the date with the Parish Clerk.

Note from the editor: On the 5th September the Jubilee Field will play host to a Parish Community Picnic—a chance for all ages to come together after a very difficult 18 months. Tables and seating will be provided or bring a rug if you prefer. For more details please see the poster on the next page or call Jill Brown on 01579 370910. The organizers would like to thank the Parish Council for supporting this event with a generous donation.

CUSTOMER ANNOUNCEMENT

As has been well publicised in both the local and national media recently the hospitality industry is suffering a severe shortage of restaurant staff and chefs. Here at Tre, Pol & Pen we are not exempt from this problem and as many of you are aware we have been trying to run with a reduced menu on three days a week.

Having reviewed our operations over the past few weeks, a decision has been taken to temporarily close the restaurant on two days of the week in order to provide a better service to you for the remaining five days. Therefore, from Monday 26th July the restaurant will be completely closed on Mondays and Tuesdays. We will be open Wednesday to Sunday, when we will continue to offer fresh, locally sourced food including our Sunday roasts, cooked with care and attention by the team. Numbers will be kept restricted and therefore bookings are highly recommended for all meals to avoid disappointment. Don't forget you can now book online at any time via our website or the Facebook app. Please note, we will not be open for drinks either on a Monday or Tuesday allowing everyone to have their permitted days off.

The farm shop itself remains open as usual seven days a week 9am – 5pm so please continue to shop local. Although our butchery and delicatessen counter are both closed on a Sunday we have a range of items available that the staff have prepared and prepacked for you. Please ask a member of staff if you need assistance.

As a team, we are passionate about serving good quality food in a safe, welcoming environment and everyone here has strived to achieve that. We appreciate there have been times when we have been extremely stretched and hope that the decision to close for two days a week will ensure we continue to offer the best we can for the rest of the week.

We would like to take this opportunity to thank the local community for your support through what has been a challenging few months since we re-opened and appreciate your understanding of the need to temporarily change our hours.

With warm regards

The TPP Team

News from Trebulet Methodist Church

With the lifting of lockdown, **Trebulet Methodist Church** are excited about being able to get back to some of their activities as well as starting up some new ones. We recognise that this pandemic has been hard for so many of us, not least those who have young families or have had children during this time. It is so important to be able to have a time to share with other parents, grandparents and carers and therefore we are planning to start our **Tots and Teas** again. This is aimed at all those who care for newborns to school age children. If you are interested in coming along to this please contact Margaret Stephens on 01566 782223 for more information.

Our monthly **Coffee Mornings** were always well supported and we have missed seeing all those who used to come along. There are also many new faces who have moved to the area during the pandemic and we feel this would be a lovely way to get to know you. We will be starting again on Wednesday 4th August at 10:30 am and we would love to see you and of course anyone you would like to bring along. If the weather is good, we aim to sit outside. If you would like to know more then please contact Ruth Burden on 01566 782286.

In addition, for anyone who likes walking, why not join us for our **Walk & Talk**. This pandemic has encouraged us to exercise regularly and we are so blessed to live where we do. We have such beautiful scenery and endless opportunities to explore the area. So, join us for an hour as we take a leisurely walk with others. The first session will meet on Friday 13th August at Trebulet Chapel at 10:30 to 11:30 am. For more details, please contact Ruth Burden on 01566 782286.

For those who would like to discuss their faith with others, why not come along to our **Tuesday Takeaways**, which take place every Tuesday from 2:00 to 3:00 pm. For more details contact Sheila Burt on 01579 371396.

Finally, we are very excited to be able to get back together and sing in our chapels. Methodists are 'born in song' and love to sing, so we are planning a thanksgiving service where we will sing some of our favourite hymns on Sunday 12th September at 7:00 pm. Join us for our **BIG SING THANKSGIVING**, we would love to see you, as we would for any of our Sunday Services which start at 11:00 am.

God bless,

Rev. Jo Smart (01566 782921)

The Gardening Gang...

Happy August.....and wowzers, how the plants have grown (particularly the weeds, but why ruin a great conversation).

Remember to keep feeding your plants and borders and dead head in earnest as the plants need this to generate more flowers – greatly beneficial to roses. You can carry on planting shrubs and trees but try and stick to container grown plants and water well throughout the summer. Although it is said that it is best to hold off planting now until the autumn, as you know we live in one of the wettest places in the UK (take that exacting statistic with a pinch of salt, but Gary will tell you it is) so plants *should* have good moist conditions to settle in well. But if you are going away get someone in to cover the watering for you.

Hardy annuals and biennials should be doing well now. Remember to feed, weed, stake and water! We drum the mantra of water, water, water into our customers when trying to establish plants. Keep mowing the lawn, feed and weed and keep reseeded when you have chance. However, leave trees alone now but if you require some work to them in the autumn get a quote and book it in now - tree surgeons get very busy at the end of the summer. Also, don't forget to keep an eye on ponds and fish, making sure water levels don't drop and keeping pond weed down. We are about to create a brook from a buried watercourse in our back garden and will keep you updated on how we design and create a wonderful wildlife haven.

For all those interested in wildlife, South Bosent, out near Dobwalls, is holding its open garden event on the 22nd August. It is a paid entry event, but you have 9 acres of wildlife heaven to explore, including ponds and woodlands. Details can be found on the Cornwall Wildlife Trust site (www.cornwallwildlifetrust.org.uk) under the events tab.

We are slowly moving to our favourite time of year when the leaves start to change colour and fill our outdoor spaces with the most spectacular display of nature. We are so lucky to live in a beautiful area where we can truly witness seasons at their best. Take care and give us a wave when you see us!

News from Lawrence House Museum

The curator and volunteers at Lawrence House Museum regret to announce that it will not be possible to re-open the museum building for the 2021 season. The Grade II* listed structure requires repair and Scott & Co, a firm specialising in listed properties, has been appointed to project manage the delicate work. It is hoped that the works will be completed as soon as possible and in any event before the museum is due to re-open in spring 2022. In the meantime, the curator hopes that a “pop-up” museum may be created in one of the empty premises in the town centre during the summer to cheer visitors to the town and enthusiasts for our little gem of a museum which will re-open again next year.

Recycle and raise money for charities.

Our community group based in South Hill parish collects plastic items, sponsored by major manufacturers, to send to TERRACYCLE to process and are made into park benches, water butts etc. and raises money for our nominated charity KICKS COUNT, who aim to reduce UK stillbirths.

We encourage people, if they can't avoid it, at least recycle it.

Accepted items include empty packets from

- crisps, nuts, snacks, biscuit, confectionery, cheese, bread and baby food pouches with lids on
- TAYLORS brand of coffee has just been added, this is Taylors only no other makes.

plus non food items

- used toothbrushes, floss sticks and packets, toothpaste tubes
- dishwasher/laundry tablet packets and plastic tubs
- soft tubes and pots from gels, creams, lotions
- plastic in hair dye kits, latex style gloves & Marigolds, can ring carriers
- plastic air fresheners, trigger sprays and hand pumps
- empty makeup, lip sticks, roll ~~on~~, medicine blister packs

We DO NOT Accept all plastics, read our detailed guide here,

[Recycling Guide v12b.pdf](#)

which explains our project and where other items can be recycled.

Once a month we bring a trailer to Launceston, stopping at Treburley if asked, then South Petherwin returning via Coads Green, for people to drop off their items and ask questions. **August 6th** we'll be in Tesco car park 10:30 – 11:15

All details can be found on line or call/text/email SHARE@south-hill.co.uk 07305 044049

We have an active FB group www.facebook.com/groups/recycling.for.charity

and details here www.south-hill.co.uk/charity-recycling

In June we sent 25 boxes, weighing 230kg, and raised another £150 for Kicks Count.

All items that would have been incinerated but have now been recycled into new products, reducing the need for new raw materials.

Thank you for your continued support and **Keep on Recycling.**

Ali Humphreys SHARE Recycling for Charity project lead.
